

## Scholarship Activity Consent Form for Grades 6-12

H2O4U is an educational scholarship activity for middle school and high school students in Maricopa, Pima and Pinal counties. H2O4U combines learning with fun! Students will learn about Arizona water history, Central Arizona Project, water conservation and emerging issues. Your student is completing the activity as part of a class. Your student may be entered in a \$1,000 scholarship drawing by their teacher. There will be one middle school winner and one high school winner in each county (six total scholarships).

**To be included in the scholarship drawing you must provide consent.**

Student's Name: \_\_\_\_\_

**By completing the information below I give consent for my child to be entered in the drawing to receive a \$1000 educational scholarship.**
